April 27, 1938

Mr. E. H. Jeffords, Gen. Mgr.
General Asbestos & Rubber Division
North Charleston, S. C.

My dear "Jeff":

Enclosed find report from Dr. Gardner of Saranac Laboratory, regarding the effects of asbestos dust on various types of animals.

After this has served your purpose, will you please return to me, as I should like to take the matter up further.

Very truly yours,

SS:G
