Internal Correspondence

To: File (Asbestos Cloth)

Date: April 9, 1981

From: Anita Christen ac

Copies:

Subject: ASBESTOS ROPE

Received an inquiry from Art Bromberg at Budd, Larner as to whether or not J-M manufactured or still manufactures asbestos rope products. Checked with Product Info Center -- we still manufacture numerous types of asbestos rope - they will send a booklet on them.

Bromberg also needed to know if we ever labelled asbestos rope. Checked with Bob Rushforth-- he stated that we labelled all asbestos rope products beginning in 1972.
