Dear Hugh:

Enclosed are three copies of the report on Frank Boeker complete with photographs, and one copy without photographs. An extra copy is enclosed because one was promised to Dr. L. Robert Martin of Concord. He was responsible for having material sent to me!

The Ektachromes are also enclosed, along with an invoice covering this case.

Best regards.

Sincerely yours,

Paul Gross, M.D.

Dear Hugh:

You will recall that I had asked for the clinical history on Frank Boeker, an employee at Lompoc. No doubt you had given instructions to have such medical and employment history sent to me. Unfortunately, these have not yet reached me. Could you expedite this or would you like me to send you the write-up on this case without such history.

With best regards.

Sincerely yours,

Paul Gross, M.D.
